

The Animal Guardian Society Walk, Run and Roll Fundraiser May 19, 2018

Heydenshore Pavilion, Whitby

Get your "Tails on the Trails" for our annual 5 Km. fundraiser along the picturesque Whitby Shores.

Celebrating 31 years of serving animals in need we are inviting everyone who has adopted a TAGS dog to join us for a giant reunion, and more. Do you have the oldest living TAGS dog? Yes, that is right this year we will have a special presentation in this category. Everyone is welcome to attend as your support will help us to continue to save the lives of animals in need!!

The day begins at 9:00 am. Following the walk enjoy our BBQ while you check out the fantastic items in our silent auction. But that is not all - we have face painting for the kids and dog painting!! Come by and check out our Smooch the Pooch Picture booth. Nail trimming and our Pet Show round off the things you won't want to miss. A number of local vendors will be delighted to chat with you about their wonderful products for sale.
